Course Code: CSEG1044

School of Computer Science

Submitted By

Student Name: Suryansh Mishra

SAP ID: 590012069

Course: B.Tech CSE (Core)

Semester: 4

Batch: 4

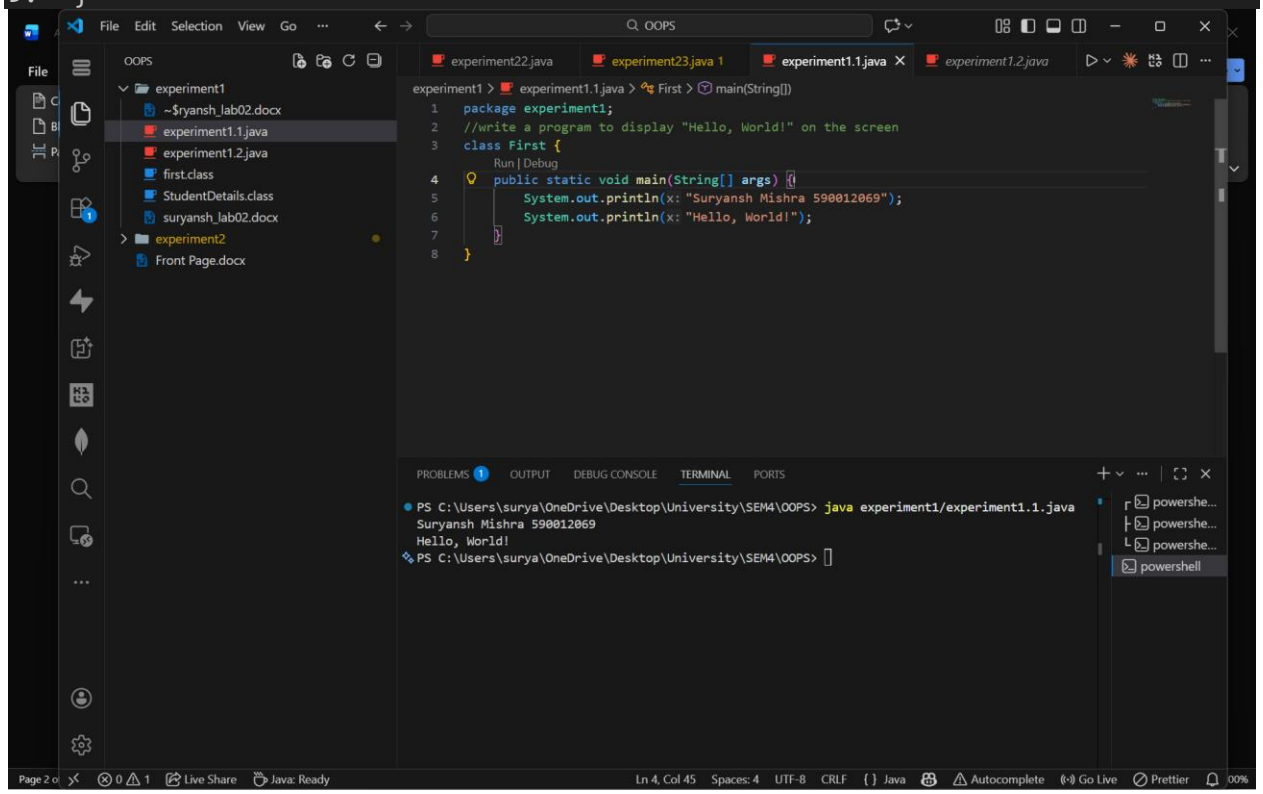
Academic Year: 2025-26

Submitted To

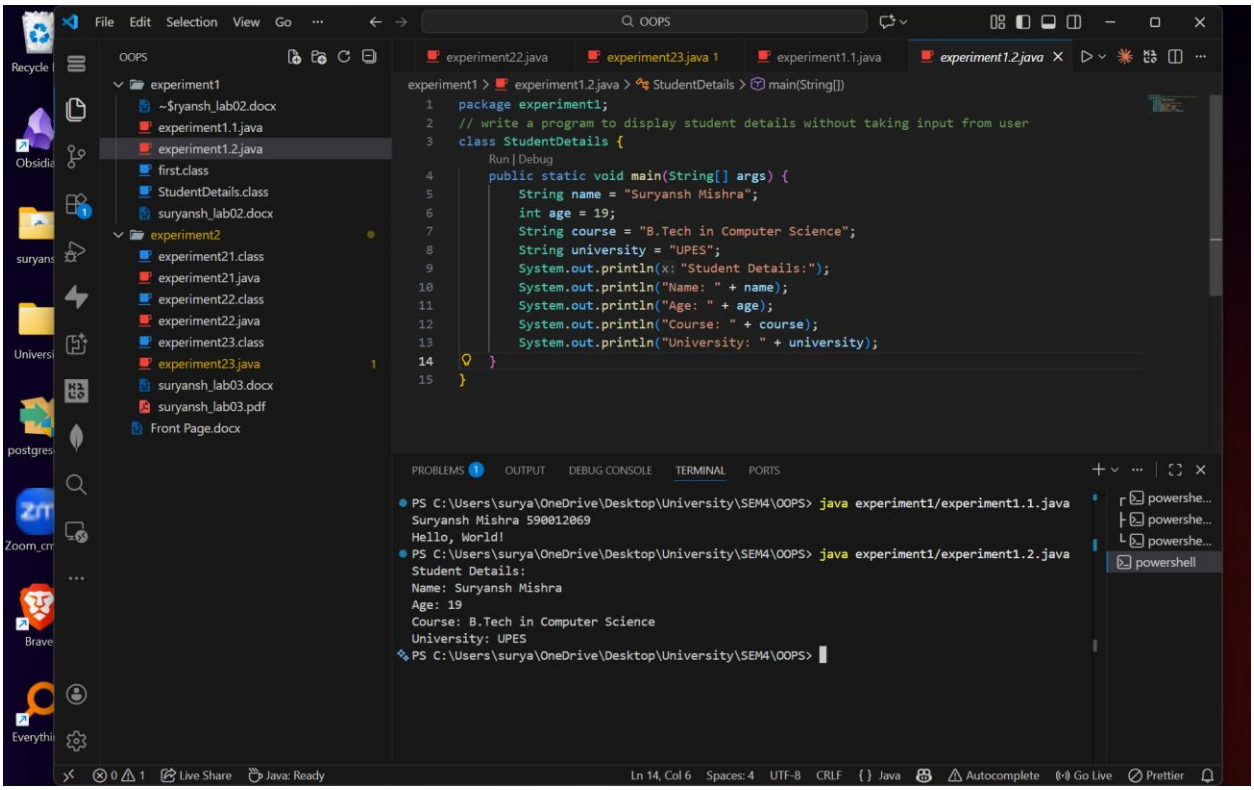
Mr. Piyus Bagla

1.1. Write a Java program to print “Hello World”’

```java
package experiment1;
//write a program to display "Hello, World!" on the screen
class First {
    public static void main(String[] args) {
        System.out.println("Suryansh Mishra 590012069");
        System.out.println("Hello, World!");
    }
}
```



1.2. Write a Java program to print the details of a student.

```java
package experiment1;
// write a program to display student details without taking input from user
class StudentDetails {
    public static void main(String[] args) {
        String name = "Suryansh Mishra";
        int age = 19;
        String course = "B.Tech in Computer Science";
        String university = "UPES";
        System.out.println("Student Details:");
        System.out.println("Name: " + name);
        System.out.println("Age: " + age);
```


```
        System.out.println("Course: " + course);
        System.out.println("University: " + university);
    }
}
```
